Smart tools for smart contractors.

In the contracting business, eliminating costs means increased profits. For contractors of all sizes, streamlining the creation and management of the information necessary for filings, reporting and project management is an excellent opportunity to reduce costs and improve efficiency. Quantum Software Solutions offers a number of software tools to help improve your bottom line.

The Quantum Project Manager Suite

Flexible, easy-to-use tools for serious contractors

The Quantum Project Manager Suite was engineered to manage and track all of your project needs with ease. With Quantum Project Manager, you can produce estimates and bid proposals for a project, complete contract documents, generate progress billing payment applications, print certified payroll reports and create and track all of your communications along the way—all with one simple, easy-to-use tool. While the Quantum Project Manager programs are designed to all work together, the programs can be purchased and used independently or in any combination. They **even integrate with QuickBooks™** (contact us for more information). The programs available in the Quantum Project Manager are:

Contractor Billing made easy!

Create your AIA* style payment applications quickly and easily. Print the application for payment, continuation page, change orders and much more.

Certified Payroll Reports as easy as 1, 2, 3.

Generates the U.S. Department of Labor WH-347 certified payroll report and the WH-348 certification page. Many state and city versions also included.

Communications made easy!

Create, print, and accurately track all of your documents and communications regarding your projects. RFIs, Notices, Transmittals, Submittals, Letters, Insurance Notices, Telephone Log, Correspondence Sent and Received, Punch Lists, Meeting Minutes, Schedules, Daily Reports, Material Logs and more.

Contract Documents legal-ease.

Create and track Contracts, Purchase Orders, Sworn Statements, Proposals, Change Orders, Waivers and Releases, and Schedules. Print log and status reports. Use customizable MS Word templates for complete control. Print to many AIA* original Contract Documents. Say good-bye to your typewriter.

Estimating that's fast, accurate, flexible.

Flexible to allow you to create a simple estimate with basic information or a more detailed estimate based on more complex conditions and calculations.

Bottom line: serious tools for serious contractors. For more information, visit www.quantumss.com, email sales@quantumss.com or call 1-800-894-1278.
